## **Acts 2:42-43 & 46-47**

“They devoted themselves to the apostles’ teaching and to fellowship, to the breaking of bread and to prayer. Everyone was filled with awe.... They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.”

“The single most common finding from a half-century’s research on life-satisfaction, not only from the US but around the world, is that happiness is best predicted by the breadth and depth of one’s social connections....As a rough rule of thumb, if you belong to no group but you decide to join one—you cut your risk of dying over the next year in half.”—*Robert Putnam, “Bowling Alone”*
